The meeting was called to order by Alice Belmont, Chairperson at 6:10 P.M. A quorum was not present so Ms. Belmont asked Grady Bowyer, Executive Director to give a report on the Clear Training and Conference that he had attended on September 9th. Mr. Bowyer expressed how the conference was very informative and well worth the time. The sessions on how to do reports to stand up in court, and forged credentials were extremely good. Mr. Bowyer feels the conference is beneficial and suggested that a Board member also attend next years conference in Toronto.

Minutes: With a quorum the minutes of the June 18, 2002 meeting were discussed. Mark Wilcox stated the sentence in the minutes concerning Podiatry was incorrect. The sentence should read "If the Podiatrist open our Code to allow podiatry assistant to be exempt from having to be licensed by the Board, someone must be aware of the action in the legislature the next session to monitor this activity." Mr. Wilcox made a motion to accept the minutes of June 18, 2002 as corrected. Dr. Dameron seconded the motion. Motion carried.

Financial Report: Financial Report was given by Ms. Blosser. She discussed the increase in the disbursements for July due to (1) vacation days owed to Mary Casto upon her retirement, (2) increment pay for Mary Casto and Grady Bowyer, (3) retirement dinner held for Ms. Casto, and (4) postage expense for mass mailing for rule change comment. Mr. Wilcox asked about a disbursement of \$85.74 on the August financial statement under "Payment of Claims". Mr. Bowyer explained that AT & T and Verizon went to court against agencies and boards that had balances not paid by the state. The state will not pay certain things on a bill from these companies so they went to court to get the money they felt were owed to them. Dr. Dameron made a motion to accept the financial report and Ms. Bellomy seconded. Motion carried.

Podiatry Committee Report: Mr. Wilcox gave a quick review of exactly why we need to start code changes for podiatry assistants. He explained the discussions of the committee on licensing the assistants or exempting them. The committee presented a guide line to the code which they feel is in the best interest of everyone concerned. The assistants would need to secure a permit from the WVRTBOE to practice podiatry radiology limited to foot and ankle. They would need to pass a written examination for certification from the American Society of Podiatry Medical Assistants (ASPMA) and meet all requirements of that organization including the continuing education requirements. The permit would be for one (1) year from the date of issue and shall be renewed every year without examination, but they must submit documentation of an active certification with ASPMA. The permittee would only use equipment specifically designed for the performance of foot and ankle Podiatric radiographs and the type of equipment must be approved by the Board. It was recommended that an inspection of the machine

where the permittee would be working be done. The committee also recommended that we introduce these new guide lines into our code so that we can be in complete control. Mr. Bowyer also informed the Board that if the code changes were approved he would send a letter to Dr. Scott Glassburn, President of the State Podiatry Association, with the wording of the code and express to him this is the only wording that the Board would approve. Dr. Dameron asked to have (g) of the code changed to "Podiatric Radiographs means radiographs performed on the foot and ankle on dedicated Podiatric equipment. Dr. Dameron made a motion to accept the code as presented with the correction of wording for (g), to have the equipment inspected, and for Mr. Bowyer to inform the State Podiatry Association through Dr. Glassburn the decision of the Board. Ms. Bellomy seconded the motion. Motion carried.

Complaints: Mr. Bowyer gave status of individual on suspended license. A criminal complaint has been issued, however the Prosecuting Attorney's office has informed him it should be resolved in the next two (2) to three (3) weeks with a plea negotiations and it will be a felony. Once a conviction is announced we will have our attorney send her a letter and forms revoking her license. The Board advised the office to inform anyone that would inquire that her license is pending.

Mr. Bowyer asked the Board for assistance on an individual who was given a temporary license in error and now is seeking a permanent license. The individual's ARRT card lapsed in 1994, she is trying to take the test again however ARRT will not allow her to sit for the exam for ethical reasons. Our law states that an individual must have passed the ARRT exam, supply proof of CE requirements and not be convicted of a felony. The individual has met this criteria. After a lengthy discussion Dr. Dameron made a motion to have Mr. Bowyer check with our attorney to see if we could issue her a license and have her sign a consent agreement that before she can renew her license in 2003 she would have to take and pass either the ARRT exam or the WV exam. Ms. Bellomy second the motion. Motion approved.

Old Business: Mr. Bowyer informed the Board that Mountain State was now up and running with 26 students enrolled. Camden Clark has closed and someone in Ohio has taken over from them. Mr. Wilcox informed the Board that Dr. Shawn Reesman has agreed to replace Dr. Deardorff on the Board.

New Business: Mr. Bowyer advised the Board that he would be contacting the Attorney General's Office in order to have Ms. Shirley Skaggs replaced as our attorney of record. Ms. Skaggs has missed two of our last Board meetings even though we requested that she be there, and does not return telephone calls for days at a time.

Ms. Belmont gave a report on the Auditor Seminar that she attended on September 10th. Ms. Belmont agreed to attend the meeting on Oct 9th and 10th for Mediation Procedures.

Ms. Blosser asked the Board to set guide lines for individuals who do not pass the WV exam after three tries. Mr. Bowyer drew up a final remediation similar to ARRT's for the Board to consider. The individual would not be permitted to sit for the Final Remediation WV Exam for a period of six (6) months and must take a Remediation course of study. If the individual would fail the Final Remediation WV Examination they would be required to re-graduate from an approved, accredited program of Radiologic Technology before regaining eligibility to sit for the WV exam again. Dr. Dameron made a motion to accept the Final Remediation WV Exam. Ms. Bellomy seconded the motion. Motion approved.

Next Meeting Date and Location: The next meeting of the Board will be December 12, 2002 at 5:00 P.M. in Charleston

The Treasurer's office would check to make sure the credit card was good and process the payment. The payment would be deposited directly into our account. The only renewals that will be processed on line are licensee's certified by ARRT, because of CE requirements. Ms. Blosser will receive the information the morning, after the renewal on line. Ms. Blosser will check that the applicant's ARRT card is current and issue a license at that time. The applicant will receive a paid status at the time of the on line payment. Mr. Wilcox questioned if this would be acceptable to post. The Board directed Mr. Bowyer to insert some kind of language on the receipt to show the license has been renewed pending ARRT verification. Mr. Bowyer explained the walk-in credit card process. The Treasurer's Office would set up an Internet connection, at no charge, for an applicant that would walk into the office. Mr. Bowyer asked if the Board wanted to go back to three (3) meetings a year or leave it at four (4). Mr. Wilcox made a motion to leave the meetings at four (4) a year. Ms. Bellomy seconded the motion. Motion passed.

Minutes: Ms. Bellomy made a motion to accept the minutes of September 23, 2003 as presented. Dr. Reesman seconded the motion. Motion carried.

Financial Report: The financial report was presented by Ms. Blosser. Ms. Blosser informed the Board if they request a dinner before the meetings a motion would need to be in the minutes so it can be included in the budget. Ms. Bellomy made a motion to have one (1) dinner meeting per year before the Board meeting. Ms. Belmont seconded the motion. Motion carried. Ms. Belmont made a motion to accept the financial report as presented. Ms. Morris seconded the motion. Motion carried.

Complaints: (1)Technologist that had her ARRT card revoked for altering her card has signed a consent agreement with the Board. Her license will be suspended for a three (3) year period.

(2) Response from Cath Labs: Mr. Bowyer informed the board of the response he received from the two Cath Labs he had written concerning the use of CV techs manipulating the equipment. Mr. Bowyer felt these letters to be unacceptable and asked that a letter be sent by the Board Chairman explaining the definition of Radiologic Technology. Mr. Wilcox explained that it is his opinion the definition of "practice of Radiologic Technology" that was developed in 1990 includes all of the major components, however, it lacks detail. Mr. Wilcox appointed a committee consisting of Ms. Belmont, Ms. Bellomy, Dr. Reesman, Dr. Schreiman, and himself, to research and adopt specific definitions for the manipulation of the equipment, technical factors, making of an exposure, and the positioning of the patient. The Committee will meet after the holidays to set up a complete definition. A letter will be sent to the Cath Labs after the definitions are in place.

(3) Tech's Misdemeanor Conviction for Drugs: A Certified letter was sent to the Tech, who signed for it on November 22, 2003. He has 30 days to respond, or he would waive his right to respond, and we would have to set up a hearing.

4) Physician Requiring LPN to do Bone Densitometry: An LPN called to say the Doctor was requiring her to do Bone Densitometry exams. Mr. Bowyer, the LPN Board, and our attorney Greg Skinner wrote letters to the nurse informing her that the operation of x-ray equipment without being licensed by our office is against the law in WV. We have received a call from the LPN that the Doctor has hired a technologist three days a week to do the Bone Densitometry exams. Complaint Dismissed.

Ethics Rule: Ethics Rule was passed and put into effect on 11/28/03. The Ethic Rule is on the Web page.

Schools: (1) Washburn University: Our Attorney Mr. Skinner informed the Board the way the law is written the Board does not have any jurisdiction over them.

(2) Mountain State Site Visit: Mr. Bowyer informed the Board that the site visit for Mountain State went very well, they had two (2) deficiencies. They did not have any graduate surveys or employer surveys because of being a new program.

(3) RT to RTT Program at Southern: Mr. Bowyer informed the Board that Ms. Mary Holder of Southern WV Community & Technical College called and informed him that Southern wanted to start an RT to RTT program. Ms. Holder wanted to know if they have to be accredited by JRCERT or if they could just be regional accreditation. The Board instructed Mr. Bowyer to send a letter to Ms. Holder informing her that this has been discussed before and that the program would have to be JRCERT accredited.

(4) Accreditation Status: (1) University of Charleston: Increased to 8 years.
(2) St. Mary's put on probation.

New Business: Pet/CT: Dr. Dameron had questions concerning Pet/CT but was not present at the meeting. The Board recommended that it be discussed at a future meeting when Dr. Dameron is present.

Glora Crouch resigned her position with the WV Department of Health and Human Resources, Bureau for Public Health, which means she must resign from the Board. The Board will recommend Jamie Browning from the Department of Health and Human Resources to replace Ms. Crouch.

Mr. Bowyer presented a letter that Dr. Schreiman had received from Dr. Robert Smith, of the WV State Radiology Society concerning Radiologist Assistant. Mr. Wilcox will call Dr. Smith to find out the concerns and objectives of the letter and report his findings at the next Board meeting.

March meeting will be held on Thursday, March 25, 2004 at Elkview.

The meeting was adjourned at 7:50 P.M.

The meeting was called to order by Chairman Mark Wilcox, at 5:05 P.M.. Mr. Wilcox welcomed new Board member Jamie Browning as the representative of the West Virginia Department of Health and Human Resources, Bureau for Public Health.

Minutes: Ms. Bellomy made a motion to accept the minutes of December 2, 2003 as presented. Ms. Belmont seconded the motion. Motion carried.

Financial Report: The financial report was presented by Ms. Blosser. Ms. Bellomy questioned the excessive postage expenditure in February. Ms. Blosser informed her this was for the mass mailing of the newsletter. Ms. Bellomy asked if we need to send out newsletters or could we just put them on the web page. Ms. Browning made a motion to accept the financial report as presented. Ms. Bellomy seconded the motion. Motion carried.

Complaints: (A) Misdemeanor convictions - Tech had multiple misdemeanor convictions in Putnam county. Technologist surrender license to office. Case dismissed.

(B) Technologist practicing medicine without a license - A nurse made a complaint against a Technologist for receiving prescription medication from a physician and distributing to a third person. Our Attorney Mr. Skinner drafted a letter to the Technologist. The Technologist responded with a letter and copies of x-ray results, doctor's findings, and insurance information to confirm that the prescription medication was for her personal use. The Ethic's committee, and Mr. Skinner has reviewed the information and recommends the charges be dismissed as unfounded. Ms. Belmont made a motion to accept the recommendation of the Ethic's's Committee to dismiss the complaint. Ms. Browning seconded the motion. Motion carried.

Ms. Belmont made a motion to forward information back to the RN Board concerning the frivolous complaint made against the Technologist on the recommendation of Mr. Skinner. Ms. Browning seconded the motion. Motion carried. Mr. Bowyer will send a letter to the Technologist advising of the dismissal of the charges.

Interpretative Ruling: A Committee appointed by Mr. Wilcox met and drafted an Interpretative Ruling Definition of Radiologic Technology to present to the Board. After a lengthy discussion, the Board with recommendations from Mr. Skinner made specific changes to the draft. Mr. Skinner advised the Board that the definition should now be implemented into the Code of State Rules, which could be done by interpretive rule. Ms. Browning made a motion to accept the Interpretative Ruling Definition of Radiologic Technology with the changes and additions made by the Board. Ms. Bellomy seconded the motion. Motion carried.

The Board requested Mr. Bowyer start the process to have the Interpretative Ruling Definition of Radiologic Technology implemented into the Code of State Rules by interpretive rule.

Legislation: Series 1 - Mr. Bowyer advised the Board of changes needed in Series 1 rules. Most are additional or changing of wording. Mr. Bowyer informed the Board that an increase of some fees is needed at the present time in order to curtail the ever increasing expenses. Ms. Blosser gave a report of the increase of running the office for last year and the increases known for the coming year. After a lengthy discussion the Board decided to increase all fees except the renewal fee at this time. Ms. Bellomy suggested that a notice be put on the web page of a possible increase in renewal fees at a future date, with an explanation as to why the fees need to be increased (i.e. - increase in office operations, fees lost in credit card transactions, unfunded mandates, etc.).

Ms. Belmont made a motion to move forward with the filing of Series 1 with the increased fees included for the 2004 deadline. Ms. Bellomy seconded the motion. Motion carried.

Appointments: Mr. Bowyer advised the Board that Dr. Schreiman resigned from the Board. Dr. Dameron has also informed Mr. Bowyer that because of his work schedule he will have to resign from the Board. Mr. Bowyer informed the Board that Dr. Elaine Moore expressed interest in being appointed a Board member to replace Dr. Schreiman, and that Dr. Reesman had recommended Dr. Terry Shank to replace Dr. Dameron. Dr. Shank will be approached concerning an appointment to the Board. Ms. Belmont and Ms. Browning have expressed their desire to be reappointed at the completion of their terms. Mr. Bowyer will send a letter to the Governor of the reappointments and the possible appointments to the Board.

Radiology Assistant: Dr. Robert Smith, who was to attend the meeting could not attend. Discussion tabled to a future time when Dr. Smith can attend.

Old Business: Credit Cards - 28% have been done on line since July.

New Business: Possible Lawsuit: A possible lawsuit being served against the office was discussed. An attorney in Kanawha County is possibly going to bring a lawsuit against all Boards not in the city limits of Charleston. Mr. Skinner advised the Board that a lawsuit has not been started because everyone is waiting to see the out come of the current law suit against the Lottery Board moving from the city limits of Charleston.

Web Page - Mr. Bowyer informed the Board the web page is being redone and should be in place shortly. The new web page will also include a "Frequently Asked Question" section, and a "Complaint Form" for anyone with a complaint to complete and return.

Graduating Class' of 2004 - 136 will be graduating this spring from Radiologic Technology schools in West Virginia and one in Ohio.

June meeting will be held on Thursday, June 10th at Elkview.

The meeting was called to order by Secretary, Susan Bellomy, at 5:15 P.M. A quorum was not present so Ms. Bellomy asked Mr. Bowyer if he had anything to present or to discuss that would not require a vote at this time.

Legislation: Series 1 Rule - The rule was filed in April for public comment for 30 (thirty) days. No comments were received by the office during the public comment period. The Rule was filed on June 10, 2004 with the Legislative Rule Making Review Committee and the Secretary of State's Office. It should be on the interim's agenda in July at which time Mr. Bowyer will attend the meeting. The Rule will then lay until the Legislature comes into session. Mr. Bowyer advised the Board that he has been informing the schools that he has visited and the hospitals he has inspected about the Series 1 Rule increase in fees except for the renewal fees. He has also been informing them that the last increase of renewal fees was in 1998 and in 2006 or 2007, the renewal fee could be increased due to the continuing rise of inflationary costs and operational expenses of the Board.

Series 6 Rule - The rule was effective on June 10, 2004. This is the definition of the Practice of Radiologic Technology. Mr. Bowyer informed the Board that since the Series 6 Rule is now in effect, he will send a letter to all the Cath Labs with a copy of the Rule as agreed upon at the December 2nd 2003 meeting.

Complaint: (A) Dental personnel taking hand x-rays - The office was contacted about a Dental Office in Beckley taking hand and wrist x-rays for bone growth by the Dental Assistant and Hygienist. The Board has no jurisdiction over the Dental Assistant or Hygienist, so Mr. Bowyer forwarded the complaint to John Parklo with the Dental Board. The response from the doctor from Mr. Parklo's correspondence was that this was common practice in an Orthodontic Dental Office's and sent documentation to this effect. The response did not include that only the doctor himself, who is exempt from our law, took the x-rays. Mr. Bowyer will discuss this further with Mr. Parklo that unless the Doctor himself takes the x-rays, this is not acceptable to this Board. The Dental Assistant and Hygienist can not take the x-rays without having a license with our office. The Dental Board will have a meeting in July to discuss this matter.

Old Business: All the books were delivered to the graduating class of the schools. Sixty-three (63) temporary license have been issued at this time, with approximately sixty-eight (68) left to graduate. Out of those issued, nineteen (19) have passed their ARRT exam and one has failed.

License inspections: All of the hospitals in the state have now been inspected at least once.

Reappointments: A letter has been submitted to the Governor for reappointment to the Board for Alice Belmont and Jamie Browning. A replacement must be appointed for Dr. Dameron who's term expires on June 30, 2004.

Auditor's Seminar: The seminar will be held on September 8th, 2004. It was recommended that Ms. Browning, being a new member, would benefit by attending the seminar with Mr. Bowyer. Mr. Bowyer will contact Ms. Browning's supervisor for permission for her to attend the seminar with Mr. Bowyer.

A request was received by the office from Ms. Chris Paugh, Program Director at WVU Hospital Radiation Therapy school to have Radiation Therapist's license a different color from the Radiologic Technologist's license. After a discussion, the Board's consensus was that they did not see a need or a purpose at this time to have the color changed. This is primarily due to the fact that if the Board changed the color for therapists, it would also have to change the color for all the other radiology specialities.

Mr. Bowyer contacted Dr. Moore for a conference call to have a quorum.

Minutes: Ms. Bellomy made a motion to accept the minutes of March 25, 2004 as presented. Ms. Browning seconded the motion. Motion carried.

Financial Report: The financial report was presented by Ms. Blosser. Ms. Bellomy made a motion to accept the financial report as presented. Ms. Belmont seconded the motion. Motion carried.

Personnel Evaluations: Ms. Bellomy presented the evaluation that Mr. Wilcox had completed on Mr. Bowyer with the recommendation of a 4% (four percent) pay increase. Mr. Bowyer recommended a 5% (five percent) pay increase for Ms. Blosser. Mr. Bowyer recommended that the Board give Ms. Casto, our temporary clerical help, a raise of \$1.00 per hour pay increase. Ms. Bellomy stated for the record that the Board appreciates the effort, the work and the fine job done by Mr. Bowyer and Ms. Blosser. Ms. Bellomy made a motion that Mr. Bowyer received a 4% (four percent) pay increase, Ms. Blosser receive a 5% (five percent) pay increase and Ms. Casto a \$1.00 an hour pay increase. Ms. Peters seconded the motion. Motion carried.

New Business: Pet/CT - Mr. Hill, of the DHHR, forwarded information to Mr. Bowyer concerning Pet/CT. After some discussion, Ms. Bellomy made a motion to have copies of all Pet/CT information forwarded to the Board members to discuss at the next meeting. Ms. Belmont seconded the motion. Motion carried.

Election of Officers: Mr. Bowyer informed the Board that Mr. Wilcox had stated he would not run again for Chairman. Mr. Bowyer asked for nominations for Chairperson. Ms. Belmont nominated Ms. Bellomy, who declined the nomination for personal reasons. Ms. Bellomy nominated Ms. Belmont who declined the nomination. Ms. Browning nominated Dr. Moore. Ms. Bellomy seconded the nomination. Ms. Bellomy made a motion that the nominations be closed. Ms. Belmont seconded. Dr. Moore agreed to serve and was elected Chairperson. Mr. Bowyer asked for nominations for Secretary. Ms. Belmont nominated Ms. Bellomy. Ms. Browning seconded the nomination. Ms. Belmont moved the nominations be closed. Ms. Peters seconded. Ms. Bellomy accepted the position by acclamation.

The September meeting will be held at Elkview on the 16th at 5 P.M.

The meeting adjourned at 6:25
