Greg Skinner (Attorney) Jim Wilson

The meeting was called to order by Dr. Moore, Chairperson, at 5:15 P.M. Mr. Bowyer welcomed new Board members Dr. Moore and Dr. Baek and extended a welcome to the Nuclear Medicine guest.

Minutes: Dr. Baek made a motion to accept the minutes of June 10, 2004 as presented. Ms. Bellomy seconded the motion. Motion carried.

Financial Report: The financial report including the credit card expenditures was presented by Ms. Blosser. Ms. Belmont made a motion to accept the financial report and credit card expenditures as presented. Ms. Morris seconded the motion. Motion carried.

Old Business: PET/CT- Dr. Moore requested that a discussion on operation of PET/CT be the first order of business since our Nuclear Medicine guest were most interested in this matter. Mr. Wilcox stated that as the present law is written, an individual must have graduated from an accredited program in Radiologic Technology and pass a written examination approved by the Board and be licensed by this Board, or they are not eligible to operate the PET/CT units. Mr. Wilcox asked the Nuclear Medicine guest for their input into this matter. After a lengthy discussion the Board advised Mr. Wilson, spoke person for the Nuclear Medicine guest, that the Board was supportive of a change to add Nuclear Medicine to our Code and would be willing to work with the Nuclear Medicine Community to seek legislation amending this portion of the law or adding a new section to deal with this issue. A recommendation by the Nuclear Medicine community would have to be written and submitted to the Board for their consideration. The Board would consider the recommendations and if approved seek the appropriate changes before the Legislature. The earliest any changes of this kind could be made to the Code would be in the 2006 Legislative session. The Board cautioned Mr. Wilson however, that any type of legislation would have to include the entire Nuclear Medicine community within the State, not just a select group to operate the PET/CT Units. The Board asked Mr. Bowyer to send a letter to all facilities with PET/CT units advising them of

Board Meeting September 16, 2004 Page 2

the Law as presently written and stating the position of the Board at this time concerning who can use PET/CT units.

Legislation: Series 1 Rule for 2005- Submitted to the Secretary of State and Legislative Rule Making Review Committee. It has gone through the Committee without any questions, and it will now be introduced around the end of February to the Legislature. This is the rule increasing all the fees except the annual renewals.

Series 1 Rule for 2006 - Mr. Bowyer informed the Board that even with the increase of fees in the Series 1 Rule for 2005, an increase in the annual renewal fee needs to be addressed at this time, or the Board could be insolvent in three (3) years because of the dwindling number of technologist renewing their licenses and the ever increasing cost of maintaining the office. Following a discussion as to an amount to raise the fee, Dr Baek made a motion to increase the annual renewal fee \$15.00, making a total of \$65.00 for the annual renewal fee. Ms. Bellomy seconded the motion. Motion carried.

The Board asked Mr. Bowyer to draft a memo for the web page advising the Technologists of the Board's decision and reasons for the needed increase to the annual renewal fee to be submitted to the Legislatures for the 2006 session. Mr. Bowyer advised the Board that a memo would be sent with the renewal applications to all the Technologists so everyone could be aware of the pending increase.

A Motion was made by Mr. Wilcox to go into Executive Session, Ms. Bowning seconded the motion. Executive Session started at 6:15 P.M..

Executive Session ended 6:45 P.M..

Complaints: A. Dismissal for Breech of Patient Confidentially #08-FY2004 - A recommendation from the Ethics Committee, presented by Mr. Wilcox, is for one (1) years probation and reimbursement for cost in leu of a hearing. Ms. Browning made a motion to accept the recommendation made by the Ethics Committee. Ms. Belmont seconded the motion. Motion carried.

Ms. Bellomy made a motion to accept the recommendation made by the Ethics Committee. Dr. Baek seconded the motion. Motion carried.
- C. Dismissal for Failure of Drug Screen for Cause #02-FY2005 A recommendation from the Ethics Committee, presented by Mr. Wilcox, is for a three (3) year suspension, completion of a recognized drug rehabilitation program, drug testing, 36 CE's (12 CE's per year) for the three years on suspension, and reimbursement of costs in leu of a hearing. Ms. Bellomy made a motion to accept the recommendation made by the Ethics Committee. Ms. Belmont seconded the motion. Motion carried.
- D. Dental Personnel Taking Hand X-rays The Dental Board at their July Board meeting feels the practice is within the scope of a Dental practice and within their law. Mr. Bowyer explained that a letter will be sent to both Board's council for them to work out an opinion as to which law should be in effect.

Board Meeting September 16, 2004 Page 3

Old Business Continued: RA Information - Dr. Reesman presented information that he obtained during a seminar he attended on CARE. Ms. Blosser was requested to make copies of the information presented by Dr. Reesman and distribute to the Board Members.

New Business: Mr. Bowyer informed the Board that he has a site visit at United Hospital on November 4 th and 5^{th} .

Mr. Bowyer also informed the Board that the WVSRT Conference is at Stonewall Jackson Resort in October and he will have a display board there with copies of the rules and code of the Board.

Board Meeting December 2, 2004 Page 2

Mr. Bowyer presented a letter received from an individual seeking to apply for a license. The Individual stated she was dismissed from her position in New Mexico for stealing drugs. Her license with ARRT was revoked until January 2006. She stated that she has successfully completed her probation, and has completed drug rehab, and would like to get a license in the state of West Virginia. Mr. Bowyer sent a letter to the individual requesting further information, which he did not receive at this time. After a discussion on the matter, Mr. Wilcox made a motion to table the discussion until the March meeting in order to receive the requested information. Dr. Reesman seconded the motion. Ms. Bellomy opposed the motion on the grounds that the Board has always agreed and abided when ARRT revoked or suspended an individuals license and the Board has upheld and done the same. Motion carried to table the discussion until the March meeting.

The Board asked Mr. Bowyer to send the individual a letter explaining the Boards decision to table the request until the March meeting in order to receive the additional information requested.

School Inspection: (A) United Hospital Center - Inspection done in November and was a good inspection.

(B) WVU Therapy Program - Program had been reduced to probation due to paper work failure, has now been reinstated for the full eight (8) years.

Old Business: (A) Collins Career Center - Mr. Bowyer received a letter from Collins requesting recognition of their RT program. Mr. Bowyer advised them they had to be JRCERT accredited or equivalent. Mr. Bowyer was informed that Collins had in fact submitted an application to JRCERT. Mr. Bowyer was told by JRCERT that Collins had applied, but had also withdrew the application. Mr. Bowyer advised Collins Career Center that since they had withdrawn their application from JRCERT and their accrediting body is not equivalent with JRCERT their program could not be recognized by the Board.

(B) Nuclear Medicine Technologists - The Board received a letter from Appalachian Association of Nuclear Medicine Technologist requesting the Board's help in pursuing legislation to license Nuclear Medicine Technologist under the Radiologic Technology Board. Dr. Moore appointed a committee consisting of Mr. Wilcox, Dr. Reesman, and Ms. Browning to meet with the Association's Committee in an effort to pursue this legislation. It was requested by the Board that the Association poll the Nuclear Medicine Technologist within the entire state prior to the first committee meeting to determine the support for this legislative measure.

New Business: Dr. Baek and Ms. Belmont's appointments to the Board were not approved by the Senate and are no longer on the Board. Mr. Bowyer asked for recommendations to send to the Governor in order to appoint new Board members. Three (3) individuals, Nancy Godby, Brian Lilly and Melissa Haye, have shown interest in serving on the Board. A recommendation for a Doctor, who must be a radiologist, was not recommended at this time. Mr. Bowyer will send a letter to the new Governor with the three (3) recommendations. Dr. Moore will send letters to Dr. Baek and Ms. Belmont thanking them for their service to the Board.

Mr. Wilcox requested a committee be appointed to review all expenditures in order to get a check on all expenses of the Board before an increase in the renewal license is presented. Dr. Moore appointed a committee of herself, Ms. Peters, Mr. Bowyer and Ms. Blosser to report their findings at the next meeting.

The meeting was called to order by Dr. Moore, Chairperson, at 5:20 P.M.

Minutes: Mr. Wilcox made a motion to accept the minutes of December 2, 2004 as presented. Ms. Bellomy seconded the motion. Motion carried

Financial Report: The financial report including the credit card expenditures and procedures were presented by Mr. Bowyer. Dr. Moore and Ms. Peters gave a report on their examination of the financial information of the Board. Dr. Moore and Ms. Peters determined that there were not any more significant cuts in the budget that could be made at this time. Ms. Blosser was commended for her written presentation. Mr. Wilcox made a motion to accept the financial reports and credit card information as presented. Ms. Browning seconded the motion. Motion carried.

Complaints: A report was given by Mr. Bowyer on the status of the active complaints as follows:

- (A) Dismissal for Failure of Drug Screen for Cause A hearing was held on February 8, 2005, before a hearing examiner. Attorney Skinner stated that, since she did not appear or send a representative, the Board's evidence was entered into the record. The hearing examiner will be issuing his report on or before March 31, 2005. Attorney Skinner stated that the Board could accept, reject or modify the hearing examiners recommendation.
- (B) Dental Personnel Taking Hand X-rays Attorney Skinner has been in contact with the Dental Board's Attorney concerning this practice. The Dental Board had a meeting on December 4, 2004 to discuss this issue but failed to do so. Attorney Skinner has explained our Board's position on this matter and stated that the Dental Board's attorney as well as their Executive Director has concurred with our Board's position. The Dental Board will be meeting during March, 2005 and assurance has been given that this matter will be on their agenda for discussion.
 - (C) Forging Prescriptions Still Pending. This case has not gone before the Circuit Court.

Board Meeting March 3, 2005 Page 2

(D) RN operating C-arm fluoroscopic unit in surgery: Administrator of facility verbally acknowledged this was done. He stated the RN was disciplined and the use of a c-arm protocol for the OR procedure has been changed to prevent a re-occurrence. A written response will be submitted to the Board's office. Upon receipt of written response, a letter will be sent to the RN Board for possible disciplinary action against the RN for working outside the scope of practice.

Legislative Update: The Series 1 Rule was introduced in the Legislature on February 28, 2005 (SB 380 & HB 2747). The Senate Bill has been referred to their Finance & Judiciary Committees while the House version has been referred to their Government Organization and Judiciary Committees. A request has been made for a representative from our Board to appear before the House's Government Organization Committee on Monday, March 7, 2005 to answer any questions the Committee may have. The Rules for the 2006 Legislative Session must be filed with the Secretary of State's office and the Legislative Rule Making Review Committee by close of business on July 29, 2005 after going through the thirty (30) day comment period.

Old Business: (A) Individual requesting temporary permit / license - A discussion was continued from the December 2, 2004 meeting concerning this request. After a lengthy discussion and examination of the material submitted by the individual, the Board feels an attempt is sincerely being made to straighten out the past. It was pointed out that the request was for a temporary permit, however, a temporary permit cannot be issued for someone that has been out of a School of Radiologic Technology for greater than six (6) months. A letter will be sent stating that, before consideration of receiving a license, the individual must pass a written examination. This can be either the ARRT examination or the Board's examination. Once the individual has successfully passed the written examination, the Board can and will consider this request. Without successful passage of the written examination, this matter becomes a moot point.

(B) Collins Career Center - Mr. Bowyer received information that this school has re- applied to the JRCERT for accreditation in December, 2004. As discussed, our law states that a school "shall follow the current standards as established by the JRCERT". It was decided a letter will be sent to Collins Career pointing out the law and that the Board does not have statutory authority to "recognize" a school. Once full accredition has been achieved, the students will be eligible for temporary permits upon graduation.

(C) Nuclear Medicine Technologists - Lori Williamson with the Appalachian Association of Nuclear Medicine Technologists gave a report on the recent polling of the state's nuclear medicine community concerning the issue of licensure. Around 180 questionnaires had been sent with response received from 74 individuals. There were 71 "yes" responses to having a licensure for nuclear medicine, 2 "no" responses with 2 individuals asking questions without a response. A meeting has been scheduled between the Board's committee and the Nuclear Medicine's committee to begin the formulation of proposed legislation.

New Business: Ms. Bellomy requested that the Board make an effort to obtain licensees' e-mail addresses and send information to them via this method in the future (such as newsletters). It was pointed out that there is a space on the application form for the licensee's email address and optional (cell) phone number. Whenever this information is submitted, it is entered into the database. Ms.

Board Meeting March 3, 2005 Page 3

Bellomy also requested the Board conduct a marketplace research project to obtain information on the cost of licenses of other state Boards, and also obtain the same information from otherstates with RT licensure. It was pointed out that the technologist information was available for the states on the ARRT or ASRT web sites. The information on the in-state Boards will be gathered and distributed to the Board members.

Mr. Wilcox stated that he had been in contact with Dr. Robert Smith concerning the issue of Radiology Assistants (RA). Mr. Wilcox explained to Dr. Smith that our law would cover the licensure of RA's, since these individuals would have to be licensed through our Board. Dr. Smith stated that Dr. Cordell with the Medical Association would need to talk to Mr. Wilcox or the Board since the Medical Association may attempt to seek legislation to license the RA's in-state. Mr. Wilcox requested Mr. Bowyer to monitor legislation being introduced and inform the Board if anything pertaining to the RA's is introduced.

The next meeting of the Board will be held on June 9, 2005 at 5:00 p.m. at One Davis Square in Charleston.

The meeting was adjourned at 7:20 P.M.

Complaints: (A) Dismissal for Failure of Drug Screen for Cause - Mr. Wilcox made a motion to accept the findings of Hearing Examiner Jack McClung dated May 24, 2005 in its entirety, and to have Mr. Skinner send a letter to the Tech of the decision of the Board. Ms. Browning seconded the motion. Motion carried.

- (B) Dental Personnel Taking Hand X-Rays Mr. Skinner advised the Board that our law does prohibit the taking of hand x-rays by non licensed individuals, and that he has been working with the Dental Board's Attorney but a solution has not been forthcoming. - (C) Forging Prescriptions The Board made a decision to have the individual meet with are Ethics Committee, comprised of Ms. Browning, Dr. Reesman, and Dr. Moore. Mr. Bowyer will send a letter to the individual informing him of the meeting and asking for all pertinent information concerning his case. This matter was tabled to the next Board Meeting to give the Ethics Committee time to meet with the individual and to report back to the Board of their findings. Mr. Skinner was asked by the Committee to also attend the meeting.

Old Business: Nuclear Medicine Technologists being added to our present law. Mr. Wilcox and Mr. Bowyer met with Brenda Thompson, chief legal counsel with the WV House of Delegates Government Organization Committee and Steve Thompson, legal analyst with the committee concerning adding Nuclear Medicine Technologists to our present law. Ms. Thompson and Mr. Thompson explained that it would not be legal to just add the Nuclear Medicine Technologists to our law. In order to include any new profession to our law it would have to go through a study (Sunrise Law) conducted by the legislature to see if it is warranted to protect the public's health and safety. Mr. Bowyer explained that before this study is conducted, the Legislative Committee on Government Organizations's study questionnaire must be submitted along with documentation from various sources by December 1st. The study would begin at that point and continue until the following December when an interim report would be prepared and presented to the Legislature. This would enable legislation to be formulated from the report and a bill prepared for introduction. The earliest any legislation to add other disciplines to our law would be the 2007 session. After a discussion concerning this matter, Dr. Reesman made a motion to include all 6 disciplines not just Nuclear Medicine Technologists and RPA's. Mr. Wilcox seconded the motion. Motion Carried.

New Business: RPA Letter - Mr. Bowyer informed the Board that he received a letter from an individual concerning the permissible scope of practice of Radiologic Technology as it pertains to the Radiology Practitioner Assistant program. The individual has an active license from the office, and is participating in the RPA program through Weber State University in the capacity of a student. After a discussion the Board advised Mr. Bowyer to send a letter to the individual informing her that it does not appear that she is acting in violation of any rule or regulation of the Board.

Personnel Evaluations - Mr. Bowyer presented the evaluation for Ms. Blosser and informed the Board that the results of the evaluation was a recommendation of 4% pay increase per the Boards evaluation percent of raises approved on October, 2001. Mr. Bowyer asked the Board to approve the 4% with 2% going into effect in July and waiting to see what the Governor's recommendation for raises for all state employees would be in September. If the Governor does not give all state employees a raise the other 2% would go into effect in October. Dr. Moore did not have Mr. Bowyer's evaluation with her, but informed the other Board members she would email the results to them the next day and they could vote on his pay increase at that time. Mr. Wilcox suggested that the Board reevaluate the evaluation percent of raises approved on October 2001 for the next evaluation process. Mr. Wilcox made a motion to approve the 4% increase to Ms. Blosser with a 2% at the present time until the findings of the state employees raise increase of the Governor's, with the increase of the other 2% if a state employee raise is not approved and to wait for the email from Dr. Moore in order to approve a pay increase for Mr. Bowyer. If the Consent Decree is refused, a full hearing will be held.

The Doctor submitted an appeal letter requesting a dental assistant be allowed to operate this unit since it is used for head-face-sinus x-rays. This was also denied as a dental assistant is allowed to operate dental equipment for intra-oral dental x-rays only.
- (B) Individual now under a three year Consent Decree which stipulates random drug testing has been tested by an independent laboratory. The results of the test were reviewed by the doctors on the Board and all test were negative.
- (C) Email was received that Snowshoe Mountain Health Center in Snowshoe, WV may be using unlicensed individuals to operate the mobile x-ray unit at that facility. Letter was sent to the facility and copies of two employee's licenses were submitted as documentation that they do use licensed individuals at their facility.

- **Old Business:** (A) A report was given by Mr. Bowyer on the status of the application to add nuclear medicine, MRI, and ultrasound technologist to our law as well as the Radiologist Assistant / Radiology Practitioner Assistant. This application was filed by December 1, 2005 and is being reviewed by the Legislative Auditor's Performance, Evaluation and Research Division (PERD). PERD will present a report to the legislative committee probably during the May interim meetings of the Legislature. At present, the legislative analyst has stated that Nuclear Medicine and MRI will be recommended for inclusion in our law, but not Ultrasound. At the present time, continued research is being done on the RA / RPA issue.
- **New Business:** (A) The Board received a request from the WV Board of Medicine to review a radiologic technologist / physician assistant's job description. The Board of Medicine wanted our Board to determine if the individual would be working within the scope of practice of a radiologic technologist. A letter was sent to the Board of Medicine stating that the interventional procedural listed in the job description are not within the scope of practice of a radiologic technologist.
- (B) The WV Auditor's Seminar for Licensing Boards will be held on Wednesday, September 27, 2006 at the Summit Center in Charleston. All new Board members that can arrange their schedules are encouraged to attend this all day, very informative, meeting.

Board Meeting March 28, 2006 Page 3

- (C) Ms. Godby brought forth the question of mailing the annual newsletters to all active licensees. The cost of printing and mailing this newsletter is approaching \$ 2,000.00 per year. The newsletter is published on the Board's web site and, if a licensee desires to have a hard copy, they can call, mail, email or fax the office to request a copy and one will be mailed to them. After discussion, Ms. Godby made a motion that the 2006 annual newsletter be the last newsletter mailed to the licensees without a request. Dr. Reesman seconded the motion and the motion carried. The facility had been violating the law by using non-licensed personnel to perform duties included in the practice of Radiologic Technology in the Cath Lab. The Series 6 Rule clarification went into effect to make it crystal clear that this practice must stop.
