

**BEFORE THE WEST VIRGINIA MEDICAL IMAGING AND RADIATION THERAPY
TECHNOLOGY BOARD OF EXAMINERS**

WEST VIRGINIA MEDICAL IMAGING BOARD,
Complainant,

v.

Case No. 12-FY-2024

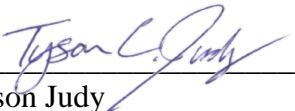

DAWNEDA LYNN MILLER,
LIC. NO. 1516,

Respondent.

SUSPENSION ORDER FOR VIOLATION OF TERM OF CONSENT AGREEMENT

The Board, at its meeting held on February 13, 2025, received notification from the West Virginia Pharmacy Recovery Network Discipline Program that Respondent received a positive alcohol test result. The consent decree entered in this matter provides: “Drug test results showing Respondent as positive for alcohol, any illegal substance, or for any substance for which Respondent does not have a valid prescription for may result in the immediate suspension of Respondent’s license until such time as Respondent submits a negative test result.” Accordingly, Respondent’s license is hereby suspended until she provides the Board with documentation indicating that she has received a negative test result.
