The meeting was called to order by Chairperson Belmont at 5:10 pm.

The minutes from the June 14, 2001 meeting were corrected and approved.

The financial reported was read by each member. Mr. Wilcox asked why the American Electric Power amount was so much higher for May, 2001 than the other months. After looking at the April, 2001 statement, it was noted that AEP was not paid for that month. Therefore, this amount represents two (2) months of winter heating.

Mr. Bowyer introduced Gloria Crouch as the new Board member. Ms. Crouch replaced Mr. Bowyer as representative from the Office of Environmental Health Services' Radiologic Health Program. Mr. Bowyer reported that Chip Slaven with the Governor's office had reported that the recommendations of the Board for member's appointment and re-appointments have not been done. He stated that they should be done before the next Board meeting. Mr. Bowyer also extended a welcome to our guest.

The functional job descriptions and salary increases for the staff were discussed. Mr. Bowyer had provided Chairperson Belmont with functional job descriptions he had written for Mrs. Casto and Mrs. Blosser. Motion was made and passed that Mr. Bowyer would incorporate the functional job descriptions into a formal job description for each staff position, evaluate the salary scales using the State's pay scales, do an evaluation of the staff using the performance evaluation forms used by the Office of Personnel, and make a recommendation to the Board as to a salary range and additional increase, if applicable.

Mr. Bowyer reported that he will be participating in the JRCERT Site Visit at the University of Charleston on October 25-26, 2001. The JRCERT representatives are from the States of California and Pennsylvania.

Mr. Wilcox reported the committees feelings and recommendation on the JRCERT vs. North Central Accreditation issue. Their feelings were that since JRCERT did a programmatic evaluation as opposed to an institutional evaluation by North Central, these bodies were not equivalent. The recommendation of the committee was that the Board not accept North Central as an additional accrediting body. If the Board should agree to accept North Central as an Accreditation Body, they will need to develop standards for the schools and do a separate, programmatic inspection to insure that all of the programs in West Virginia are being evaluated on an equal basis. Ms. Holder and Ms. Alderman asked to be recognized to address this matter. They asked that North Central be recognized as an additional accrediting body by the Board. They stated that their college did not have any intention of dropping JRCERT, however, they felt that since the ARRT recognized North Central, the State of West Virginia should also. They stated that the JRCERT's fees and criteria for accreditation causes a hardship on the colleges within West Virginia. Since they cannot increase student fees without legislative approval, recovering the cost of maintaining accreditation is impossible. After a lengthy discussion, the motion was made by Mr. Wilcox, seconded by Ms. Bellomy and approved that Chairperson Belmont would appoint a committee to talk with other states and get a clear understanding of North Central accreditation process.

Mr. Bowyer reported on the status of the complaints.

# 01-00 - was referred to the Board of Medicine (BOM) and closed by the BOM. They had the doctor appear before them at their September 8<sup>th</sup> meeting and gave him a warning that this was a violation of case law, and if another complaint was filed and substantiated, he would face disciplinary action.

# 12-00 - case was investigated by the ARRT. Case is closed since the technologist was reinstated by their employer and violations could not be substantiated.

# 1-01 - Referred to the Board of Medicine. Case under investigation.

Mr. Bowyer reported on the length of Radiologic Technology programs. The ARRT leaves the length of programs to the Accreditation Bodies. Eligibility to sit for the ARRT examination is now based on competency. Our Code section specifically states that graduation must be from a twenty-four month program. This was the norm when the Code was originated, however is not the case now. Therefore, Mr. Wilcox made the motion, seconded by Ms. Bellomy and passed by the Board that Mr. Bowyer would review the Code for any changes deemed necessary and ask that legislation be introduced to strike the twenty-four month provision and any other changes he determines are required.

Mr. Bowyer reported that the Series 1 Modified Rule has been cleared by the Legislative Rule Making Review Committee and filed with the Secretary of State for introduction during the next Legislative session.

Mr. Bowyer explained the necessity for and displayed the Probationary Temporary License and the Provisional Temporary License.

Mr. Bowyer stated that 259 licenses had been inspected since the last Board meeting. A total of 525 licenses have been inspected since the beginning of the inspections on May 1, 2001. There have been four cases of persons working on expired licenses, but they have been corrected immediately. The technologist were suspended from work until they obtained their licenses.

Other business -

Mr. Bowyer stated that the individuals from Guam and India have not submitted the information requested in order to evaluate whether they are eligible to sit for the WV Examination.

Letter was sent to the American College of Radiology asking them to rescind their Resolution 55. This resolution would allow a person to receive minimum training and work under supervision of a trained technologists. A resolution of this type would lead to the introduction of limited licensure, which the Board has historically opposed. Due to the overwhelming, nationwide opposition to this resolution, the ACR has rescinded it.

Mr. Bowyer announced that Ms. Casto has stated that she intends to retire in June, 2002. Mr. Bowyer asked the Board to consider leaving the office in Cool Ridge and hire Ms. Blosser full-time the first of April, 2002. The reasoning behind these recommendations was that the office is well maintained, rent and utilities are very affordable, Ms. Blosser is familiar with the operations of the office and protocol, and the office is accessible. He asked that this matter be brought before the next Board meeting for discussion and decision.

Mr. Wilcox stated that he had a discussion with Jim Wilson concerning Nuclear Medicine technologists. Mr. Wilson had heard that our Board was going to ask that Nuclear Medicine technologist in WV be licensed. Mr. Wilcox stated that he was unaware of any movement of this type and stated that any movement towards licensure of Nuclear Medicine technologist should come from the Nuclear Medicine community, not our Board. Mr. Wilson stated that the Nuclear Medicine Association has a meeting the weekend of September 22, 2001. He will report the feelings and desires of the Nuclear Medicine technologists to Mr. Wilcox after that meeting.

Ms. Belmont reported on her attendance at the Auditor's Required Seminar for Licensing Boards. She stated that it was a very informative meeting, and she met several people that has helped our office in the past. She specifically mentioned Judy Cooper with the Secretary of State's Administrative Law Division and Opal Burgess with the Travel Auditing Section for the State.

Ms. Belmont reported that a letter was sent to Rachel Donley asking if there was anything the Board could do to help her pass the WV Examination. She told her of a tape that is available through ASRT concerning test-taking methods and how to cope with test anxiety.

Being no other business, the meeting was adjourned at 7:15 pm.

The meeting was called to order by Alice Belmont, Chairperson at 5:00 PM. Minutes were approved as circulated.

The 2nd item on the agenda was the JRCERT versus North Central accreditation of programs. Mark Wilcox was the spokesperson for the Committee which reviewed the documentation submitted to them by Mary Holder, Program Director of SWCC and had also done an indepth research. They had also contacted other state programs and none of them accepted any other accreditation body except JRCERT. They came to the decision that there were significant differences between JRCERT and North Central, the main one being one was institutional and one was programmatic. The committee felt that the institutional accreditation did not look into programs in depth enough to evaluate whether the public is being protected. A motion was made to deny the request that the Board recognize regional accreditation in lieu of JRCERT accreditation. Motion seconded and was carried.

Mark Wilcox made a motion that the radiologic programs should not reimburse the Board representative for expenses such as travel, room, etc. Mr. Wilcox felt that the programs should not be responsible for these expenses. Since some of the board members were not aware that this was happening, Dr. Schreiman asked to discuss this. Mr. Wilcox stated that at one of the previous board meetings it had been voted to allow the programs to reimburse the board representative if they wished to do so. He said that, at that time, Board Members were doing the inspections and were taking off from their jobs and should be reimbursed but since Mr. Bowyer as Executive Director was now doing those inspections and since this was part of his job description should not be reimbursed. No more often than board members made these inspections, the Board could easily afford to pay their expenses. Motion remade that the programs not be responsible for any expenses incurred by our Board.

Motion seconded and passed.

Next on the agenda was the retirement of Mary Casto as administrative secretary as of 6/30/02 and Carol Blosser, who has been secretary for the past three years, be hired to replace Mary as administrative secretary. Mr. Bowyer asked that the office be left in Cool Ridge & suggested that Ms. Blosser be brought on as full time on 4/01/02 so that she could learn the remainder of the duties done by Mary. He suggested she continue at her present salary until she begins as administrative secretary on 7/01/01 at which time she would be paid \$18,468.00 per year. He said that we will still need a part time person and since Ms. Casto has expressed interest in working part time that she be hired for 2 days per week or 8 days per month as needed. She would be paid \$8.00 per hour and she would begin working as a contract employee as of 9/01/01. Mark Wilcox moved that Carol Blosser be hired as administrative secretary as of 7/01/01 and Mary Casto would be hired as a contract employee at \$8.00 per hour the first of September. The motion was seconded and passed.

This ended all the items on the agenda that needed to be voted on.

Next, Mr. Bowyer introduced Dr. Imani of the WV Podiatry Association who wanted the podiatry assistants be exempt from our law as the dental assistants are. He said he wished to present this to the Board before their Association submit this proposal to the legislature in January. He explained that the podiatry x-ray equipment used by podiatrists was equal or better than the equipment used by dentists. He had the specs. and information on this machine, which he said were used by 99% of the podiatrists in the state. He would like for the podiatry association work with the board on this. Ms. Casto took the specs. from Dr. Imani and will copy and send to all the board members and mail the originals back to Dr. Imani.

The schools that have been inspected this year are as follows:

University of Charleston - Alice Belmont on October 25 & 26, 2001 - Ms. Belmont said that they had a very impressive program, only minor deficiencies - expected accreditation.

Southern WV Community & Technical College - Grady Bowyer on November 26 & 27, 2001. Mr. Bowyer was very impressed with the program and congratulated Mary Holder, Program Director for an excellent job..

Bluefield State College - 8 year accreditation

Wheeling Hospital - 5 year accreditation

Camden Clark is closing it's program. WVU - Parkersburg is considering starting a program.. Mr. Bowyer will write a letter to Jean Minard saying the Board will assist them in any way it can. He will send the letter to Ms. Belmont for her approval.

Mr. Bowyer brought up the subject of purchasing our copier which we have been leasing for 3 years. We have had all kinds of problems with the vendor in making our payments. If we buy the copier, Sharp Electronics will sell it for 15% of the purchase amount which will be around \$750.00. We would continue our maintenance agreement with Charleston Cash Register for \$300.00 per year.

On the next few items, there were no complaints for this time period, Mr. Bowyer inspected 700 licenses since May 1, 2001 for current, expired or not posted licenses.

Mr. Bowyer attended the CLEAR conference on investigations and is now a certified inspector.

Board Meetings are scheduled for March 14, June 13, September 12 and December 12, 2002.

The meeting adjourned at 6:54 PM.

Alice Belmont, chairperson, called the meeting to order at 5:10 PM. Jeffrey Dameron, MD, was introduced as our new board member. Ms. Crouch and Ms. Belmont were re-appointed for 3 years.

Minutes were read. Mark Wilcox moved that the minutes be accepted as written. Gloria Crouch seconded. Motion carried.

Financial statements were gone over with Ms. Casto explaining that a couple of expenditures were for two months. Mark Wilcox moved that the financial statements be accepted. Dr. Dameron seconded. Motion carried.

A sample of the proposed new seal was presented. We would order 1,000 for a cost of \$313.40. This would be enough to last for several years. Mr. Wilcox moved to approve the purchase of the seal and the cost. Ms. Bellomy seconded. Motioned carried.

The lease on our copier was ended , and we purchased it for \$ 565.21. We purchased maintenance from Beckley Cash Register for \$37.50 per month to be paid quarterly.

2001 Newsletters were mailed with only 15 returned. Annual Report was delivered to the Governor's office, Secretary of State, Board members, WV Association of Licensing Boards, Library Commission, Clerks of the Senate and House, WVSRT Representative and director of Archives and History.

Podiatry Medical Assistants. Dr. Glassburn agreed to wait until the next legislative session to file their request for exemption. It was decided that Mr. Bowyer, Ms. Belmont, Dr. Schreiman and Mark Wilcox form a legislative committee, go over the issue and in our September meeting, present their recommendation to the Board.

Dr. Dameron asked about the licensing of podiatric assistants. Mr. Wilcox said that either a licensed technologist or the physician has to take the x-rays. Ms. Belmont thinks that the Board should have some control over who is taking the x-rays.

On the legislative update, Mr. Bowyer said the Code has passed but the Rules have been bundled with rules from other agencies and will be ok'd by July, 2002.

Mr. Bowyer has inspected 93 facilities. He has been busy with the legislature and has not been able to do any more than this.

For future conferences, there was some discussion on whether or not we needed to be represented at the ASRT meeting. Ms. Belmont felt we should keep up with what the ASRT was doing. After some discussion, Mr. Wilcox moved that Ms. Belmont should attend the JRC site visitor workshop with expenses paid by the Board from June 6<sup>th</sup> and 7<sup>th</sup> and that she should be responsible for her hotel and meals for the ASRT meeting from June 8<sup>th</sup> - 12<sup>th</sup>. Mr. Bowyer would attend the NCIT training and CLEAR conference. Mr. Wilcox moved for these meetings to be approved. Ms. Morris seconded and Ms. Bellomy abstained. Motion carried.

Under new business, Mr. Wilcox asked if we could set up our web page to allow anyone to go and get information on a licensee similar to what can be done with the ARRT web page. Mr. Bowyer said that he was sure we could but he didn't know how and we would have to hire someone to set it up. He will look into the cost of doing this.

Mr. Bowyer reminded the board that we would be meeting on June 18<sup>th</sup> and, before the meeting, have a retirement dinner for Ms. Casto.

The meeting was called to order by Alice Belmont, chairperson at 6:00 pm. Dr. Schreiman made a motion that the minutes be approved as circulated, seconded by Mark Wilcox. Motion carried.

Financial Report presented by Mary Casto. Dr. Schreiman asked why the vehicle maintenance was so high. Mr. Bowyer explained that he had to have quite a bit of work done on the state vehicle. She also inquired about our account balance. Mr. Bowyer explained that we purposely put more into the budget than necessary so that we would not have to return revenue that was twice the amount of our balance to the general fund. Dr. Deardorff said he thought any monies we had that was more than needed should be given back to the technologists. Mr. Bowyer explained that the fees are set by Rule and this would require an act of the Legislature to return money to the technologists by reduced fees. Dr. Schreiman made a motion to accept the financial reports and was seconded by Susie Bellomy. Motion carried.

Legislative Concerns: Our Rules have passed and are waiting the Governor's signature. Future Rule changes have to be submitted by July 26, 2002. These changes would be to eliminate the 30 day grace period before a reinstatement fee would be added to the renewal fee. This would make the reinstatement fee effective upon expiration of the license. For example, if a license expired June 30<sup>th</sup>, the licensee would have to pay the renewal fee plus the \$15.00 reinstatement fee on July 1, instead of August 1. The other change would be to start charging a \$ 15.00 fee for returned checks. This fee would be added to our listing of fees in our rule. Mr. Bowyer asked if he should go ahead and get these changes in the Rules. Dr. Schreiman made a motion and Dr. Dameron seconded to submit the legislation. Motion carried. Mr. Bowyer will file the papers the week of June 24, 2002 for Public Comment.

Podiatry: If the Podiatrist open our Code to allow podiatry assistants to be exempt from having to be licensed by the Board, someone must be aware of the action in the legislature the next session to monitor this activity.

Complaints: Physician using unlicensed individuals to administer x-rays. Letter written to physician

to respond to this complaint. He sent the Board a letter stating that only he administers x-rays. Case closed.

Clinic using unlicensed individuals to do fluoroscopic procedures. Letter was sent to the physician asking him to respond to the complaint. His response was not clear as to who does the procedures. He was contacted by phone and advised as to what we needed to know. A second letter was received explaining the procedure step by step and that he did have a licensed radiologic technologist to operate the machine. Dr. Schreiman moved to accept the complaint information with a second by Dr. Dameron. Motion carried.

Mr. Bowyer inspected 291 licenses since the March, 2002 Board meeting. There were some improper postings, some not being posted at all and some expired. All have been corrected.

School Inspections: Bluefield State - 8 year accreditation, Southern WV Community College - 8 year accreditation, University of Charleston - 5 year accreditation (data on 4 year program not available), United Hospital Center - Reduced from 8 years to 5 years (due to paperwork not being submitted on time), and Ohio Valley Medical Center - Pending. Mr. Bowyer was pleased with the site visits and accreditation status.

Mr. Bowyer recommended that if the Code was opened next session, change the length of RT Programs to accept whatever the accreditation bodies stipulate. Dr. Schreiman moved and Dr. Dameron seconded. Motion carried.

Mr. Bowyer has delivered a copy of our Code and Rules to all graduates of the RT Programs.

Mr. Bowyer also noted that the Radiation Therapy Program at WV University is not listed on our web site as an approved school. He will add them to the list.

A new RT program is being started at Mountain State University in Beckley in cooperation with the state's HCA hospitals. They have a program director on staff and hope to enroll students this fall.

CLEAR Conference: Mr. Bowyer wanted the Board's opinion as to whether he should attend the training session and seminar or just the training session. Mr. Wilcox felt he needed to attend both. Dr. Schreiman moved that he attend both and Mr. Wilcox seconded. Motion carried

A complaint has been filed against a technologist which could be a felony charge. Ms. Skaggs, our attorney, was to attend this meeting and give her opinion as to how the Board should proceed. However, she did not appear at the meeting. The Board went into Executive Session to discuss this matter. After coming out of Executive Session, it was decided to proceed with the investigation. Mr. Bowyer would contact Ms. Skaggs tomorrow for her recommendation, and then he will poll the members to concur.

Ms. Belmont evaluated Mr. Bowyer's performance as Executive Director and recommended the Board give him a 4% raise. Ms. Bellomy made the motion, Ms. Belmont seconded and the motion

carried to have the raise take effect July 1, 2002.

Election of Officers. Chairperson: Ms. Bellomy nominated Ms. Belmont & Ms. Belmont nominated Mr. Wilcox. Ms. Bellomy made a motion the nominations be closed and Dr. Deardorff seconded. Ms. Belmont was elected. Secretary: Mr. Wilcox nominated Ms. Bellomy. Mr. Wilcox moved the nominations closed, seconded by Dr. Schreiman. Ms. Bellomy accepted the position by acclamation.

Other Business: Mr. Bowyer stated that the Governor needs to do re-appointments and appointments. Mr. Wilcox and Ms. Morris agreed to accept re-appointment. Dr. Deardorff asked not to be re-appointed. Mr. Wilcox suggested Shawn Reisman, M.D., a radiologist at Raleigh General. He will contact him to see if he is interested and notify Mr. Bowyer. The Board voted to ask the Governor to replace Larry Heck as lay member, due to his non-involvement with the Board.

Dr. Schreiman asked if we could have the September meeting in Flatwoods. The Board agreed and Mr. Bowyer will make the necessary arrangements.

The meeting adjourned at 8:10 pm.

Respectfully submitted,

Mary Casto

The meeting was called to order by Alice Belmont, Chairperson at 6:10 P.M. A quorum was not present so Ms. Belmont asked Grady Bowyer, Executive Director to give a report on the Clear Training and Conference that he had attended on September 9<sup>th</sup>. Mr. Bowyer expressed how the conference was very informative and well worth the time. The sessions on how to do reports to stand up in court, and forged credentials were extremely good. Mr. Bowyer feels the conference is beneficial and suggested that a Board member also attend next years conference in Toronto.

Minutes: With a quorum the minutes of the June 18, 2002 meeting were discussed. Mark Wilcox stated the sentence in the minutes concerning Podiatry was incorrect. The sentence should read "If the Podiatrist open our Code to allow podiatry assistance to be exempt from having to be licensed by the Board, someone must be aware of the action in the legislature the next session to monitor this activity." Mr. Wilcox made a motion to accept the minutes of June 18, 2002 as corrected. Dr. Dameron seconded the motion. Motion carried.

Financial Report: Financial Report was given by Ms. Blosser. She discussed the increase in the disbursements for July due to (1) vacation days owed to Mary Casto upon her retirement, (2) increment pay for Mary Casto and Grady Bowyer, (3) retirement dinner held for Ms. Casto, and (4) postage expense for mass mailing for rule change comment. Mr. Wilcox asked about a disbursement of \$85.74 on the August financial statement under "Payment of Claims". Mr. Bowyer explained that AT & T and Verizon went to court against agencies and boards that had balances not paid by the state. The state will not pay certain things on a bill from these companies so they went to court to get the money they felt were owed to them. Dr. Dameron made a motion to accept the financial report and Ms. Bellomy seconded. Motion carried.

Podiatry Committee Report: Mr. Wilcox gave a quick review of exactly why we need to

start code changes for podiatry assistants. He explained the discussions of the committee on licensing the assistants or exempting them. The committee presented a guide line to the code which they feel is in the best interest of everyone concerned. The assistants would need to secure a permit from the WVRTBOE to practice podiatry radiology limited to foot and ankle. They would need to pass a written examination for certification from the American Society of Podiatry Medical Assistants (ASPMA) and meet all requirements of that organization including the continuing education requirements. The permit would be for one (1) year from the date of issue and shall be renewed every year without examination, but they must submit documentation of an active certification with ASPMA. The permittee would only use equipment specifically designed for the performance of foot and ankle Podiatric radiographs and the type of equipment must be approved by the Board. It was recommended that an inspection of the machine where the permittee would be working be done. The committee also recommended that we introduce these new guide lines into our code so that we can be in complete control. Mr. Bowyer also informed the Board that if the code changes were approved he would send a letter to Dr. Scott Glassburn, President of the State Podiatry Association, with the wording of the code and express to him this is the only wording that the Board would approve. Dr. Dameron asked to have (g) of the code changed to "Podiatric Radiographs means radiographs performed on the foot and ankle on dedicated Podiatric equipment. Dr. Dameron made a motion to accept the code as presented with the correction of wording for (g), to have the equipment inspected, and for Mr. Bowyer to inform the State Podiatry Association through Dr. Glassburn the decision of the Board. Ms. Bellomy seconded the motion. Motion carried.

Complaints: Mr. Bowyer gave status of individual on suspended license. A criminal complaint has been issued, however the Prosecuting Attorney's office has informed him it should be resolved in the next two (2) to three (3) weeks with a plea negotiations and it will be a felony. Once a conviction is announced we will have our attorney send her a letter and forms revoking her license. The Board advised the office to inform anyone that would inquire that her license is pending.

Mr. Bowyer asked the Board for assistance on an individual who was given a temporary license in error and now is seeking a permanent license. The individual's ARRT card lapsed in 1994, she is trying to take the test again however ARRT will not allow her to sit for the exam for ethical reasons. Our law states that an individual must have passed the ARRT exam, supply proof of CE requirements and not be convicted of a felony. The individual has met this criteria. After a lengthy discussion Dr. Dameron made a motion to have Mr. Bowyer check with our attorney to see if we could issue her a license and have her sign a consent agreement that before she can renew her license in 2003 she would have to take and pass either the ARRT exam or the WV exam. Ms. Bellomy second the motion. Motion approved.

Old Business: Mr. Bowyer informed the Board that Mountain State was now up and running with 26 students enrolled. Camden Clark has closed and someone in Ohio has

taken over from them. Mr. Wilcox informed the Board that Dr. Shawn Reesman has agreed to replace Dr. Deardorff on the Board.

New Business: Mr. Bowyer advised the Board that he would be contacting the Attorney General's Office in order to have Ms. Shirley Skaggs replaced as our attorney of record. Ms. Skaggs has missed two of our last Board meetings even though we requested that she be there, and does not return telephone calls for days at a time.

Ms. Belmont gave a report on the Auditor Seminar that she attended on September 10<sup>th</sup>. Ms. Belmont agreed to attend the meeting on Oct 9<sup>th</sup> and 10<sup>th</sup> for Mediation Procedures.

Ms. Blosser asked the Board to set guide lines for individuals who do not pass the WV exam after three tries. Mr. Bowyer drew up a final remediation similar to ARRT's for the Board to consider. The individual would not be permitted to sit for the Final Remediation WV Exam for a period of six (6) months and must take a Remediation course of study. If the individual would fail the Final Remediation WV Examination they would be required to re-graduate from an approved, accredited program of Radiologic Technology before regaining eligibility to sit for the WV exam again. Dr. Dameron made a motion to accept the Final Remediation WV Exam. Ms. Bellomy seconded the motion. Motion approved.

Next Meeting Date and Location: The next meeting of the Board will be December 12, 2002 at 5:00 P.M. in Charleston

Meeting adjourned 8:10 P.M.
