For 8 years.

Hiring an Inspector- Investigator
of

A lengthy discussion ensued concerning the hiring
an Inspector to check licensees throughout the state,
particularly in the outlying medical centers and
physicians offices.
Pay for this service was proposed at \$10.00 and hour.
Travel expenses were proposed and receipts are re-
quired along with a performance evaluations.

Qualification the individual must be a Registered
Technologist, have a valid drivers license, and not
been convicted of a felony in this state for 10 yrs.

Subsequently there was still some questions
regarding this position. It was suggested that a job
Description and possibly how other states handled
this matter should be investigated. There was some
mention that a full -time Executive Director for the
Board may also be a possibility.

Training Seminar by State Auditor

Dr. Deardorff reported briefly on the training seminar
That he attended on June 8th 2000. His information
Was inadvertently left at home and he would present
This material at the next Board Meeting.

Amendment of Rules
Temporary Licenses Update

A temporary permit will be issued based on the date
Of application and payment of required fee.
Effective dates will be for a period of 24 weeks
(6 months) from the date that the RTBOE receives
The application and fees.

Legislative Rules for Disciplinary
Complaint Procedures

Contested Case Hearing Procedures

Mr. Houdyschell discussed with the Board the
importance of amending and correcting the Rules
And Regulation of the WVBOE for Radiologic
Technologist. Grady stated that he had this
Somewhere on computer and the changes would not
Be much of a problem once the rules had been
Discussed, and amended. Time seemed to be a
Issue since the Legislature needs Series 1 by July
31, 2000. The Board under the direction of Mr.
Houdyschell decided to call an emergency meeting
