Call to Order

The W V BOE meeting was called to order on August 24, 2000
At approximately 5:45pm at Dr. Deardorff's old office.

Legislative Update

Grady reported that Series 3 and 4 had been filed to the legislature
On July 3, 2000 and so far there has been no public comment
concerning the revisions of the Bi-Laws
Series 1 was submitted on August 1st and as of this date there no also
No public comment. One of the main changes was the terminology
Ionizing radiation for the practice of the Radiology Technologist

Executive Director

The Board discussed the financial feasibility of hiring an Executive
Director to oversee the Legislative Action needed, the office affairs,
Inspection and other assigned duties. A job description was adopted
and modified from other states and agencies within the state that have
such a director over their Board. We are financially able to afford such
an employee. A committee was formed to interview and the
application would be put on the Internet.
Committee members: W. Alva Deardorff, Mark Wilcox, and Susie
Bellomy. The members would report their finding to the Board.

New Business

The Board discussed and decided to have quarterly meetings someplace
where food would be served. Most Boards has this type of meeting
The quarterly meetings would start in 2001.

Alice Belmont and the rest of the board members wished to Thank
Grady for all of his hard work of the legislation, Series, 1, 3 and 4.
Grady has been an instrumental asset since his tenure on the WVBOE.

Adjournment

The meeting was then ended approximately 6:15pm.
