### Staff

Grady Bowyer  
Carol Blosser

The meeting was called to order by Alice Belmont, Chairperson at 6:10 P.M. A quorum was not present so Ms. Belmont asked Grady Bowyer, Executive Director to give a report on the Clear Training and Conference that he had attended on September 9<sup>th</sup>. Mr. Bowyer expressed how the conference was very informative and well worth the time. The sessions on how to do reports to stand up in court, and forged credentials were extremely good. Mr. Bowyer feels the conference is beneficial and suggested that a Board member also attend next years conference in Toronto.

Minutes: With a quorum the minutes of the June 18, 2002 meeting were discussed. Mark Wilcox stated the sentence in the minutes concerning Podiatry was incorrect. The sentence should read "If the Podiatrist open our Code to allow podiatry assistant to be exempt from having to be licensed by the Board, someone must be aware of the action in the legislature the next session to monitor this activity." Mr. Wilcox made a motion to accept the minutes of June 18, 2002 as corrected. Dr. Dameron seconded the motion. Motion carried.

Financial Report: Financial Report was given by Ms. Blosser. She discussed the increase in the disbursements for July due to (1) vacation days owed to Mary Casto upon her retirement, (2) increment pay for Mary Casto and Grady Bowyer, (3) retirement dinner held for Ms. Casto, and (4) postage expense for mass mailing for rule change comment. Mr. Wilcox asked about a disbursement of \$85.74 on the August financial statement under "Payment of Claims". Mr. Bowyer explained that AT & T and Verizon went to court against agencies and boards that had balances not paid by the state. The state will not pay certain things on a bill from these companies so they went to court to get the money they felt were owed to them. Dr. Dameron made a motion to accept the financial report and Ms. Bellomy seconded. Motion carried.

Podiatry Committee Report: Mr. Wilcox gave a quick review of exactly why we need to start code changes for podiatry assistants. He explained the discussions of the committee on licensing the assistants or exempting them. The committee presented a guide line to the code which they feel is in the best interest of everyone concerned. The assistants would need to secure a permit from the WVRTBOE to practice podiatry radiology limited to foot and ankle. They would need to pass a written examination for certification from the American Society of Podiatry Medical Assistants (ASPMA) and meet all requirements of that organization including the continuing education requirements. The permit would be for one (1) year from the date of issue and shall be renewed every year without examination, but they must submit documentation of an active certification with ASPMA. The permittee would only use equipment specifically designed for the performance of foot and ankle Podiatric radiographs and the type of equipment must be approved by the Board. It was recommended that an inspection of the machine

Original

where the permittee would be working be done. The committee also recommended that we introduce these new guide lines into our code so that we can be in complete control. Mr. Bowyer also informed the Board that if the code changes were approved he would send a letter to Dr. Scott Glassburn, President of the State Podiatry Association, with the wording of the code and express to him this is the only wording that the Board would approve. Dr. Dameron asked to have (g) of the code changed to "Podiatric Radiographs means radiographs performed on the foot and ankle on dedicated Podiatric equipment. Dr. Dameron made a motion to accept the code as presented with the correction of wording for (g), to have the equipment inspected, and for Mr. Bowyer to inform the State Podiatry Association through Dr. Glassburn the decision of the Board. Ms. Bellomy seconded the motion. Motion carried.

Complaints: Mr. Bowyer gave status of individual on suspended license. A criminal complaint has been issued, however the Prosecuting Attorney's office has informed him it should be resolved in the next two (2) to three (3) weeks with a plea negotiations and it will be a felony. Once a conviction is announced we will have our attorney send her a letter and forms revoking her license. The Board advised the office to inform anyone that would inquire that her license is pending.

Mr. Bowyer asked the Board for assistance on an individual who was given a temporary license in error and now is seeking a permanent license. The individual's ARRT card lapsed in 1994, she is trying to take the test again however ARRT will not allow her to sit for the exam for ethical reasons. Our law states that an individual must have passed the ARRT exam, supply proof of CE requirements and not be convicted of a felony. The individual has met this criteria. After a lengthy discussion Dr. Dameron made a motion to have Mr. Bowyer check with our attorney to see if we could issue her a license and have her sign a consent agreement that before she can renew her license in 2003 she would have to take and pass either the ARRT exam or the WV exam. Ms. Bellomy second the motion. Motion approved.

Old Business: Mr. Bowyer informed the Board that Mountain State was now up and running with 26 students enrolled. Camden Clark has closed and someone in Ohio has taken over from them. Mr. Wilcox informed the Board that Dr. Shawn Reesman has agreed to replace Dr. Deardorff on the Board.

New Business: Mr. Bowyer advised the Board that he would be contacting the Attorney General's Office in order to have Ms. Shirley Skaggs replaced as our attorney of record. Ms. Skaggs has missed two of our last Board meetings even though we requested that she be there, and does not return telephone calls for days at a time.

Ms. Belmont gave a report on the Auditor Seminar that she attended on September 10<sup>th</sup>. Ms. Belmont agreed to attend the meeting on Oct 9<sup>th</sup> and 10<sup>th</sup> for Mediation Procedures.

Ms. Blosser asked the Board to set guide lines for individuals who do not pass the WV exam after three tries. Mr. Bowyer drew up a final remediation similar to ARRT's for the Board to consider. The individual would not be permitted to sit for the Final Remediation WV Exam for a period of six (6) months and must take a Remediation course of study. If the individual would fail the Final Remediation WV Examination they would be required to re-graduate from an approved, accredited program of Radiologic Technology before regaining eligibility to sit for the WV exam again. Dr. Dameron made a motion to accept the Final Remediation WV Exam. Ms. Bellomy seconded the motion. Motion approved.

Next Meeting Date and Location: The next meeting of the Board will be December 12, 2002 at 5:00 P.M. in Charleston

Meeting adjourned 8:10 P.M.

**Subject:** Mark your calendar

I have arranged for the next Board meeting to be held at the **Wingate Inn** beside the Ramada Plaza in South Charleston. This meeting will be held **Thursday, December 12, 2002 at 5:00 pm**. Please mark this date on you calendar.

If sleeping rooms are needed, please let me know, and I'll make the necessary arrangements.

If you cannot attend, please let me know. If a quorum will not be present, we will need to re-schedule it.

Thanks,  
Grady

**Subject:** Meeting Room Number

In my last email about the September 19th Board meeting, I did not include the room number. We will meet in **Room 221**, which is in the main hotel. Take the elevator to the 2nd floor, turn right off the elevator, and go down the hall to the left. Room 221 will be on your right. Again, attendance is strongly urged.

If you have not notified me of your attendance or the need for a sleeping room, I need to know **as soon as possible**. A quorum for this meeting is absolutely necessary. For those that have stated they need sleeping rooms, I will be making the reservations this Friday (30th) and will send you a confirmation after that date.

Thanks,

Dear Board members,

This email is a reminder that the next Board meeting will be held at the Day's Inn at Flatwoods on Thursday, September 19, 2002 at 6:00 pm. Anyone needing a sleeping room needs to let me know as soon as possible. Attendance at this meeting is strongly urged as the Podiatry Committee will be making their recommendation to the Board on the question of licensing or exempting podiatry assistants.

I would ask that you email me as to your attendance. We must have a quorum for this meeting.

So far, I've received notification from Alice, Judith, Mark, Susie, Jeff & Jeanne that they will be at the Board meeting. So, at least we will have a quorum. If I don't hear anything from Glora or Dr. Deardorff towards the latter part of next week, I'll call them. Shirley said to call her a couple of days before and the day of the meeting and she would be there. So, I'll do that.

I'll call later on this morning.

Grady Bowyer  
Mary Casto  
Carol Blosser

### GUESTS

Dennis Roebuck  
WVSRT Rep.

The meeting was called to order by Alice Belmont, Chairperson at 6:00 PM. Minutes were approved as circulated. Dr. Schreiman made motion that the minutes be accepted as written. Mark Wilcox seconded.

Financial Report was given by Mary Casto. Dr. Schreiman asked why vehicle maintenance was so high. The Executive Director, Grady Bowyer explained that he had to have quite a bit of work done on the state car. She also asked about our account balance and Mr. Bowyer explained that we purposely put more into the budget than necessary so that we would not have to return revenue that was twice the amount of our balance to the general fund. Dr. Deardorff said he thought the money we had that was more than was needed be given back to the technologists. Mr. Bowyer said that we would have to change rules to change fee amounts. Dr. Schreiman motioned that financial reports be accepted and Ms. Bellomy seconded.

Legislative Concerns: Our rules have passed and are waiting for the Governor's signature. Further rule changes has to be submitted by 7/26/02. These changes would be that there would be no 30 day grace period before a reinstatement fee would be added to the renewal fee. This would change to, if an application which, for example, expired on June 30 was not postmarked by that date, the technologists would have to pay the \$15.00 reinstatement fee. The other change in the rules would be to charge a returned check fee of \$15.00. This would be added to our list of fees already in the rules. Mr. Bowyer asked the Board if he should go ahead and get this in the rules before July 26, 2002. Dr. Schreiman made a motion to this effect and Dr. Dameron seconded. Mr. Bowyer will file the changes the week of the 24th of June, 2002

Podiatry: If Podiatrists open our Code to allow podiatry assistants to be exempt from having to be licensed by the Board, someone must be aware of what is happening in the legislature the next session to block this proposal.

Complaints: Physician using unlicensed individuals to administer x-rays. Letter written to physician to respond to this complaint. He sent the Board a letter stating that only he administers x-rays. Case Closed.

Clinic using unlicensed individuals to do fluoroscopic procedures. We mailed a letter asking the physician to respond to this complaint. The physician sent a letter in response but was not clear as to who did the procedure. He was contacted by phone and advised as to what we needed to know and another letter was received from him explaining the step by step procedures used in administering the x-ray and that he did have a licensed radiologic technology who operated the machine. Dr. Schreiman moved to accept the complaint information, Dr. Dameron seconded.

Board Meeting

June 18, 2002

Page 2

Mr. Bowyer inspected 291 licenses since the last board meeting in March. There were some improper posting, some not being posted at all and some expired. All of these were corrected.

School Inspections: Bluefield State -8 years accreditation, Ohio Valley Medical Center-Pending for ARRT decision, Southern West Virginia Community College- 8 years accreditation, United Hospital Center- reduced from 8 years to 5 years because of paper work not being submitted on time, University of Charleston - 5 years since they did not have data for a 4 year program. Mr. Bowyer felt that this was a good accreditation.

As far as the length of a program, Mr. Bowyer suggested that it be set in rules that we would accept whatever the accrediting body determines. He asked if we should put this in rules. Dr. Schreiman moved to do so. Dr. Dameron seconded.

Mr. Bowyer had delivered a copy of our rules and an application form to the students graduating this year. It was noted that the students were indeed submitting this application form for a temporary license.

Mr. Bowyer also brought up that we did not have the Radiation Therapy Program at WVU University on our list of schools. He has added it to this list and on our web site.

A new program is being set up at Mountain State University in Beckley hoping to begin enrolling students in the Fall. They have a director now and wish to use all HCA Hospitals as clinical centers. They will have to be approved by the JRCERT before they can begin. Raleigh General Hospital has already consented to be one of the clinical centers.

Clear Conference: Mr. Bowyer wanted the Board's opinion on whether or not to attend the seminar and training session or just the training session. Since he already has attended the beginning training which has been very helpful for the board members who have attended this in the past, Mr. Wilcox felt both the advanced training and conference would be helpful. Dr. Schreiman moved that Mr. Bowyer attend both the conference and training session. Mr. Wilcox seconded.

A complaint has been filed against a technologist, which has also been submitted to ARRT. Our attorney was suppose to give her opinion on how we should progress on this complaint. At this time the Board went into executive session. After coming out of the executive session it was decided that we follow through on the investigation of this complaint and what action should be taken. Mr. Bowyer will contact the attorney for her opinion on how to follow through with this. He will contact her the day after the board meeting.

Ms. Belmont evaluated Mr. Bowyer's performance as Executive Director and recommended the Board give him a 4% raise. Ms. Bellomy made a motion for the raise beginning July 1, 2002. Board agreed.

Election of officers: Susan Bellomy nominated Alice Belmont, Alice Belmont nominated Mark Wilcox. A vote was taken and Ms. Belmont was elected as chairperson. Ms. Bellomy made motion that nominations be closed. Dr. Deardorff seconded. Mr. Wilcox made motion that Ms. Bellomy be nominated as secretary, Ms. Bellomy accepted and Dr. Schreiman seconded.

Board Meeting  
June 18, 2002  
Page 3

Other Business: Mr. Bowyer stated that the Governor needs to do appointments and re-appointments of Board Members. We need two lay persons-Jeanne Morris will accept re-appointment. We will ask the Governor to replace Larry Heck with another lay person. Dr. Deardorff declined to accept re-appointment. Mark Wilcox suggested Shawn Reesman, Raleigh General Hospital to replace Dr. Deardorff. He will contact Dr. Reesman to see if he would be willing to accept appointment. Mark Wilcox agreed to reappointment.

Dr. Schreiman asked if we could hold the September Board Meeting at Flatwoods so that she and Ms. Belmont would not have to drive a long distance. The Board agreed.

Meeting adjourned 8:10 PM.

Respectfully submitted,

Mary Casto

**RE:** Agenda for Meeting - October 18, 2002

**DATE:** September 18, 2002

Please find attached the proposed Agenda for the next Association of Licensing Boards meeting. Representatives of some of the Board were in attendance at the State Auditor's Office Required Annual Training Seminar for Licensing Boards on September 10, 2002. Following that meeting, it was suggested that there were still some unanswered questions about the use of mediation for complaint resolution as authorized by HB 4124, passed during the 2002 Legislative Session. I have contacted the West Virginia State Bar, and Tom Tinder, Executive Director of that organization will attend our meeting to attempt to respond to inquiries and offer additional explanation on that topic for those who are interested.

We look forward to seeing you on October 18, 2002. Feel free to contact me with questions.

requirements for which license or certificate are found by the board to be at least equal to those provided in this article, shall be eligible for a license to practice radiologic technology in this state without examination.

(c) To be eligible for a permit to perform podiatric radiographs, the applicant must:

(1) Meet the requirements of § 30-23-6 (a) (1) and (5);

(2) Pass a written examination for certification from the American Society of Podiatric Medical Assistants (ASPMA);

(3) Maintain an active certification in the American Society of Podiatry Medical Assistants (ASPMA) and meet all requirements of that organization including the Continuing Education requirements; and

(4) Only use equipment specifically designed for the performance of "foot / ankle" Podiatric radiographs and the type of equipment must approved by the Board.

(5) All Podiatric radiographs must be performed under the supervision of a licensed Podiatrist. The permittee must prominently display their original permit in public view in their primary place of employment and a duplicate permit issued by the Board in their secondary place of employment.

(6) This permit is valid for a period of one (1) year from the date issued and shall be renewed every year, without examination. Upon Application for Renewal, the permittee must submit documentation of an active certification in ASPMA, be on a form prescribed by the Board, and payment of a renewal fee established by Legislative Rule.

~~(e)~~ (d) The following persons are not required to obtain a license in accordance with the provisions of this article:

(1) A technology student enrolled in or attending an approved school of technology who as part of his or her course of study applies ionizing radiation to a human being under the supervision of a licensed practitioner;

(2) A person acting as a dental assistant who under the supervision of a licensed dentist operates only radiographic dental equipment for the sole purpose of dental radiography;

(3) A person engaged in performing the duties of a technologist in the person's employment by an agency, bureau or division of the government of the United States;

(4) Any licensed practitioner, radiologist or radiology resident; and

(5) Any person who demonstrates to the board that as of the first day of July, one thousand nine hundred ninety-nine, he or she:

(A) Has engaged in the practice of radiologic technology for the limited purpose of performing bone densitometry in this state for five or more years;

(B) Practices under the supervision of a licensed practitioner; and

(C) Has received a densitometry technologist degree certified by the International Society for Clinical Densitometry.

~~(d)~~ (e) Any applicant for any such license shall submit an application therefor at such time (subject to the time limitation set forth in subsection (d) of this section), in such manner, on such forms and containing such information as the board may from time to time by legislative rule prescribe, and pay to the board a license fee, which fee shall be returned to the applicant if the license application is denied.

### **§30-23-2. Definitions.**

Unless the context in which used clearly requires a different meaning, as used in this article:

- (a) "ASPMA" means the American Society of Podiatric Medical Assistants.
- (b) "Board" means the West Virginia radiologic technology board of examiners.
- (c) "License" means a license granted and issued by the board for the practice of radiologic technology.
- (d) "Licensed practitioner" means a person licensed to practice medicine, chiropractic, podiatry, osteopathy or dentistry.
- (e) "Licensee" means any person holding a license or a temporary permit issued under the provisions of this article.
- (f) "Podiatric Medical Assistant" means a person granted a permit by the Board for performance of podiatric radiographs.
- (g) "Podiatric Radiographs" means radiographs confined to the foot and ankle on dedicated equipment.
- (h) "Radiologic technologist" means a person, other than a licensed practitioner who applies ionizing radiation or assists in the application of ionizing radiation to human beings for diagnostic or therapeutic purposes under the supervision of a licensed practitioner.
- (i) "Radiologic technology" means the application of ionizing radiation or assisting in the application of ionizing radiation to human beings for diagnostic or therapeutic purposes under the supervision of a licensed practitioner.
- (j) "Radiologist" means a licensed practitioner who specializes in the use of ionizing radiation for the diagnosis or treatment of disease.
- (k) "Radiology resident" means a licensed practitioner who is in training to become a radiologist and who uses ionizing radiation in the diagnosis or treatment of disease, under the supervision of a radiologist.
- (l) "Supervision" means responsibility for and control of quality, radiation safety and technical aspects in the application of ionizing radiation of human beings for diagnostic or therapeutic purposes.
- (m) "Technology" hereinafter relates to radiologic technology.

### **§30-23-6. Qualifications of applicants; exceptions; applications; fee.**

- (a) To be eligible for a license to practice radiologic technology the applicant must:
  - (1) Be of good moral character;
  - (2) Have completed four years of high school education or its equivalent;
  - (3) Have successfully completed an eighteen (18) month course in radiologic study in a school of radiologic technology approved by the board;
  - (4) Have passed the examination prescribed by the board, which examination shall cover the basic subject matter of radiologic technology, skills and techniques; and
  - (5) Not have been convicted of a felony in any court in this state or any federal court in this or any other state within ten years preceding the date of application for registration, which conviction remains unreversed; and not have been convicted of a felony in any court in this state or any federal court in this or any other state at any time if the offense for which the applicant was convicted related to the practice of radiologic technology, which conviction remains unreversed.
- (b) Any person who holds a license or certificate, including the American registry of radiologic technologists, to practice radiologic technology issued by any other state, the

TO: OFFICE POLICY

FROM: Grady M. Bowyer, R.T. (R)  
Executive Director

DATE: September 17, 2002

RE: FINAL REMEDIATION WV EXAMINATION

---

The West Virginia Radiologic Technology Board of Examiners will use the following in reference to the State Examination administered by the American Registry of Radiologic Technologists:

1. An individual may take the WV examination a total of three times before Remediation.
2. After failing the WV examination for a third time, an individual will not be allowed to set for the FINAL REMEDIATION WV EXAMINATION for a period of six (6) months and must take a Remediation course of study. This Remediation course of study can be done in one of three methods as described in the attached document. This FINAL REMEDIATION WV EXAMINATION must be taken within one (1) year from the reporting of the failure of the third WV examination.
3. If the individual fails the FINAL REMEDIATION WV EXAMINATION, they will be required to re-graduate from an approved, accredited program of Radiologic Technology before regaining eligibility to sit for the WV examination again

THIS POLICY IS IN EFFECT UPON APPROVAL BY THE BOARD.

**Subject:** Meeting at Flatwoods

Robin,

The Legislative Committee from our Board needs to have a meeting to discuss and draft legislation to submit to the Legislature next session. Since there are two (2) committee members from Morgantown and two (2) from Charleston, we would like to have the meeting in Flatwoods at the Days Inn.

I will want to include their lunch in the meeting room cost, so do I fill out the hospitality form for you and submit the WV 96 and WV-15 to Tammy? I haven't contacted the Day's Inn yet since a date hasn't been chosen. Just trying to get everything organized and ready to go meet with them.

By the way, you may want to let Tammy know that this can be paid for with the P-card. She stated "As far as paying for the room with your P-card, as I understand it, payment for any type of rental space is not an allowable P-card charge."

Now, I've got a second question for you. As mentioned in an earlier email, our Administrative Secretary, Mary Casto, will be retiring the end of June and our Secretary, Carol Blosser, will be moving from part-time to full time in this position. What do we need to do concerning Mary's P-card? Do we cancel her card and make application for Carol a new one? Can we simply transfer Mary's card to Carol? There is time on this area, so no big rush.

Thanks,  
Grady

Chip & Jennifer,

Well, it's about that time again. We have four (4) individuals that their terms expire on June 30, 2002. They are Mark S. Wilcox, R.T., W. Alva Deardorff, M.D., Leah Jean Morris and Larry Jack Heck. Of these four, Mr. Wilcox and Mrs. Morris have indicated they will accept re-appointment if selected. The Board **strongly urges** these re-appointments. Dr. Deardorff has indicated he wishes not to be re-appointed. The Board will make a recommendation to you on this appointment after our June 18, 2002 Board meeting. As for Mr. Heck, he has only attended one (1) Board meeting during his three (3) year term. The Board would ask that he be replaced with another Lay member. Again, the Board will discuss this at the June meeting and make a recommendation after that meeting.

This email is to indicate to you that the Board desires to have all of the appointments made as early as possible. We understand that the members serve until they are re-appointed or a replacement has been made. However, with some issues facing our Board, we would like to have full commitments from the appointees.

If there are any questions or other information is required, please contact me.

Again, the Board will discuss this at the June meeting and make a recommendation after that meeting.

This email is to indicate to you that the Board desires to have all of the appointments made as early as possible. We understand that the members serve until they are re-appointed or a replacement has been made. However, with some issues facing our Board, we would like to have full commitments from the appointees.

If there are any questions or other information is required, please contact me.

Chip & Jennifer,

Well, it's about that time again. We have four (4) individuals that their terms expire on June 30, 2002. They are Mark S. Wilcox, R.T., W. Alva Deardorff, M.D., Leah Jean Morris and Larry Jack Heck. Of these four, Mr. Wilcox and Mrs. Morris have indicated they will accept re-appointment if selected. The Board **strongly urges** these re-appointments. Dr. Deardorff has indicated he wishes not to be re-appointed. The Board will make a recommendation to you on this appointment after our June 18, 2002 Board meeting. As for Mr. Heck, he has only attended one (1) Board meeting during his three (3) year term. The Board would ask that he be replaced with another Lay member. Again, the Board will discuss this at the June meeting and make a recommendation after that meeting.

Robin,

Our Board will be having Board meeting in June and want to make it a dinner meeting to honor our Administrative Secretary upon her retirement after 18 years of service for us. We will be having it at the Ramada in South Charleston for approximately 15 people and would like to use the P-card to pay for it. Is this possible? If so, what paperwork, if any, do we need to submit and when does it need submitted?

Thanks,

Grady
